

COOPERATION PROJECT

Parties:

- Garliko Gıda Maddeleri Sanayi ve Ticaret Ltd. Şti. (Turkey) – Mr. Şükrü Göksoy
- Mr. Dafi (Indonesia)

1. Initial Business and Products

The first step of our cooperation will be the import of 12 tons of Capsaicin Oleoresin Oil. The analysis results must be exactly identical to the provided reports. In addition, 12 tons of Ascorbic Acid will also be supplied. To reduce costs, Butterfly Pea Tea will be loaded into container spaces.

2. Snack Products

Cassava Chips, Sweet Potato Chips, Dragon Fruit Chips, and Coconut Chips will be ordered in both spiced and unspiced varieties, with a total of 10 x 40-foot containers.

3. Responsibilities

All import and export procedures will be fully managed by Mr. Dafi. Business will operate on a 50 – 50 partnership basis.

4. Principles of Partnership

Mr. Dafi is the solid partner of all projects in Turkey and Indonesia. For education, accommodation, or residence needs in Turkey, he will be treated with the same care as a family member. The same conditions apply to Mr. Şükrü Göksoy and family in Indonesia.

5. Confidentiality and Dispute Resolution

The partnership is confidential and cannot be shared with third parties. Disputes shall first be resolved through negotiation. Unresolved issues will be handled in Turkish courts for matters in Turkey, and Indonesian courts for matters in Indonesia.

6. Profit Sharing and Audit

Profits will be shared equally (50 – 50). All businesses and operations in Turkey and Indonesia will be regularly audited by independent financial auditors to ensure transparency.

7. Future Vision

The partnership is based on R&D;, commercial growth, knowledge sharing, and innovation. With its strong market presence, Garliko Gıda will advance this cooperation to greater achievements.

8. Commercial Product Range

The commercial portfolio will include: spices and profitable products from Indonesia; garlic, dried products, dried fruits, flour, and similar products from Turkey.

9. Joint Company Establishment

A joint company will be established in Indonesia under the name 'Vogo Garliko Indonesia Company'. This company will act as the official entity for all commercial activities, investments, and product ventures in Indonesia.

Sincerely,
Mr. Şükrü Göksoy
